Wildwood Wagon Rides:
The wagon rides are finished for this season. The Board would like to thank Sal Russano and his team of spotters for providing this fun service for Wildwood's children and their families, Thanks Sal!

Beach Concerns:
There have been several instances where people are leaving garbage on the beach. Please, when you leave the beach, leave nothing behind, use the garbage containers provided.
Another issue is people letting their dogs run free on the beach. The beach is certainly a great spot to let your dogs run and swim in the water. It becomes problematic when they run up to little children and even the friendliest dog can frighten a small child. If your dog is running free on the beach and you see children, please place your dog on a leash so they do not frighten them. Another alternative might be to walk down the beach quite a ways so they are not tempted to run up to young folks. This issue could maybe be less of a a concern if Wildwood had a dog park where dogs could enjoy some freedom, something to think about. Thank you!

Motion for GMM Sept. 23:
Motion cease ballot voting and return to voting as set forth in the 2019 GMA as quoted:
"At all meetings of members every question shall be decided by a majority of the votes of the members present in person, unless otherwise required by the Bylaws of the Association, or by law. Every question shall be decided by a card holding system unless a poll be demanded by any member. Upon a show of voting card, every member having voting rights shall have one vote and unless a poll be demanded a declaration by the Chairman that a Resolution has been carried or not carried, and an entry to that effect in the Minutes of the Association shall be admissible in evidence as prima facie proof of the fact without proof of the number or proportion of the votes accorded in favor of or against such Resolution. The demand for a poll may be withdrawn, but if a poll be demanded and not withdrawn the question shall be decided by a majority of votes given by the members present in person, and such polls shall be taken in such manner as the Chairman shall direct and the result of such poll shall be deemed the decision of the members at the General or Annual meeting, whether upon a show of voting card, or at a poll.
