From The Board of Directors:

We have noticed, and members have commented, that there are a number of people going over 10km/hr in the park. Although the roads are improved, the speed limit hasn't changed and we still need to stick to the speed limit to keep everyone safe.

Reminder that golf cart drivers 16-18 should have their lanyard visible on their cart so it can be seen while they are driving. This is helpful information so people don't make incorrect assumptions and stop them.

There is a curfew for those under 18 so please ensure your children 17 and under leave dances and are on their lot at 11:00 pm, thank you.

Kudos Korner:

Kudos to Tim Ford and his team for the amazing firework show last Saturday night. Very much enjoyed by young and old alike!

Send your kudos to wildwood-board@wbtl.ca or put them in the suggestion box in the office, thanks!

Wildwood Wagon - Spotters Needed:

The Wildwood Wagon runs at 6:00 on Friday and Saturday evenings, weather permitting. It will start near the back washrooms and run throughout the park, stopping at stop signs for riders to get on/off. For safety reasons, please do not attempt to pass the wagon while moving but wait for it to stop and indicate to the spotter you would like to pass. More spotters are needed, if you're able you can sign up at the office or see Sal Russano, lot 429.

Father's Day Breakfast - Need Help ASAP

If volunteers and a chair do not come forward by the end of the weekend, it will unfortunately be cancelled. Please sign up in the office. We'd prefer not to cancel so thank you in advance for those who are able to help.

Chili Cook-Off:

Need someone to lead the Chili Cook-Off, if you are able, please sign up at the office, thank you!

Dance:

There will be a dance with the Nick Hedden Band starting at 8:00 p.m. Weather permitting under the pavilion, if not, in the rec. hall.

Easter Egg Hunt:

There will be an Easter Egg Hunt on Saturday in the Rec. Hall from 1:00 - 3:00 p.m. There will be a craft, egg hunt and prizes. *No early birds please!* (Adults-need a volunteer for 15-30 min. to help add to the festivities-will need to wear a costume shhhh)

Member's Only Facebook Page:

We encourage members to join the private "Wildwood by the Lake Member's Site" Facebook page to get updates on the proposed GMA. We feel that posting on the public facing page(s) is not in the member's or association's best interests. Thank you!

Lot Numbers - 911 Requirement

Emergency vehicles can now make their way into our park unassisted (without being met by someone to lead them in). It is a 911 requirement, to have your lot number on your lot, easily visible from the road. If the vehicle has to search for your site, it will delay receiving necessary treatment in an emergency. This is also something our Park Manager has been asking everyone to do as it is difficult for maintenance staff to find your lot if there's no number visible to them. It is equally difficult for the Building Committee to come by your lot to verify a building permit. **Please, put a sign on your lot that shows the lot number, visible from the road.**

From the Fundraising Committee:

The Fundraising Committee would like to thank everyone for their continued support to kick off the season this past weekend with the Pot of Gold Contest. The winner was lot 95 with \$527.50, congratulations! Hope to see everyone again this weekend. Reminder that if you would like to purchase tickets during the week, they will be available at lots 299 & 406.

Building Permits:

Building/renovations cannot be done without an approved building permit. Please be aware, that as per the General Membership Agreement, if you do not have an approved building permit prior to doing the work, you can be asked, at your own personal expense, to remove or adjust to meet Association specifications. This is a situation that is undesirable for everyone, please make sure you have an approved building permit prior to starting the work and that building permits can take up to 2 weeks to be approved. Thank you for your cooperation.

We have also implemented a new process, when gravel trucks come into the park they will be asked what lot they are going to. If there is no permit for the work to be done, the truck will not be allowed into the park.
