From The Board of Directors:

One of the things the Board is working on is creating a 'Sports Zone' in the park near the volleyball and pickleball courts. This would involve moving the basketball court to this area and then using the area the basketball court is currently on for a road hockey spot with removable goals and boards. We are working with members and committees to reduce the cost to the membership.

Recycling:

When you put cardboard in the recycling, please be aware that they cannot accept anything over 30'x30'. If you have large pieces, please cut them down and bundle if needed, thank you.

Open: Nominations for the Board of Directors!

It's that time of year again when the terms of board members are up and members have the opportunity to run for election. There are 4 positions available due to the resignation of Don Butcher. Although Shannon Powell is filling that position, our GMA states it is only until the next election.

If you would like to nominate someone, the forms are available at the office for pick up. Both the person running and the nominator must be members in good standing. Please drop your nominations off in a sealed envelope, in the suggestion box in the office. Once names are confirmed, they will be posted on the white board. If you do not want your name posted right away, please indicate this on the form.

Nominations close on July 10, at 3:00 p.m.
