The Board of Directors:

Over the past weekend we noticed a number of people of all ages driving their bikes at night without lights. It is specified in our General Membership Agreement that bikes must use their lights in low light conditions which are deemed to be 1/2 hour before sunset until 1/2 hour before sunrise. If you don't have a light on your bike, please get one if you intend to drive it during these times.

As a reminder, our bylaws state that dogs and cats must be leashed or under control at all times, they are also not allowed on the pickle ball courts. Thank you.
